About me

I have 9 years of sales experience and 5 years of IT knowledge. I am also eager to expand my skills and obtain more experience at work. I am a junior software developer with a commitment to constant learning. I am always eager to learn new technologies and enhance my knowledge of coding. CSS, JavaScript, HTML, and Python are all skills I've gained through training and learning. My coaching philosophy focuses on encouraging teamwork, discipline, and perseverance while creating a welcoming environment that fosters personal development.

Achievements & Key Projects

Worked on a group project and done a financial calculator.
